

- Stop Bar & Cross Walk Striping: It was agreed to hire a professional to assist Keith in the laying of the hi-reflective tape at the cost of \$150.00. Motioned by Tim Bryant; Seconded by Maria Del Duca & John McLeod. **Open Issue.**
- Chamber of Commerce: Tim Bryant to get with the Chamber to set a date for our Ribbon Cutting Ceremony as Silver Oaks Phase I is a new member. **Open Issue.**

**New Business:**

- No Soliciting Signage: It has been suggested to place said signage at the front and back entrances of the community due to the recent influx of solicitors in the neighborhood. Where would the signs be placed and how would they look? **Open Issue.**
- Children's Playground: It was suggested that a children's playground may be a great benefit to the Silver Oaks community. Is it feasible and does everyone want it? **Concerns:** *Location* – by the community pool on Phase II property; *Expense* – each Phase would be responsible for a \$5,000.00 contribution, and then the remainder of the Park would be paid for by the County and any Bond money that would be available. *Liability* – completely on Okaloosa County; *Maintenance* – completely on Okaloosa County; *Surveying & Deed* – completely on Okaloosa County.  
Keith will speak with James Puckett the Director of Parks for Okaloosa County to see about setting up a separate "forum" meeting within the next month so the board members from Phase I & II will have a chance to participate in discussion in regard to said Park. **Open Issue.**
- Barbara Cole Letter: Violations regarding the following addresses:  
5844 Saratoga Dr.  
5842 Saratoga Dr.  
5841 Saratoga Dr.
- Peggy Adams Letter: Barking Dog Complaint:

**Meeting Adjourned:**

Motioned by Tim Bryant & seconded by John McLeod at 7:30 p.m.
