I apologize to those of you who received a 2nd notice for your HOA Dues. The notices are computer generated by the accountant's office and I did not get the April 14th deposit to their office before they generated the notices. I hope this did not cause any inconvenience for anyone.

Sincerely,

Auburn Water Calls For Conservation May 25, 2011

Odd / even watering plan in effect until further notice

Due to the current drought conditions that the area is experiencing we feel it is vital that we put in place water conservation measures now.

Except for watering animals, Auburn asks customers to use an odd or even alternate watering plan. If your house number ends on an even number, water on even-numbered calendar days. If your house number ends in an odd number, water on odd-numbered days. Residents should set automatic sprinkler systems accordingly.

Residents should also fix any leaks, including dripping faucets, which will conserve water and save you money. Please make sure your sprinklers are aimed correctly to avoid wasting water by spraying it into the street or driveway.

Homeowners' associations that provide a common irrigation system may water only every other day.

In addition, water before 11 a.m. or after 5 p.m. each day. Watering during the heat of the day wastes water.

Please help us conserve one of our most precious natural resources, our drinking water.

Thank you,

Doug Sims,

Auburn General Manager

Dear Homeowners,

We have the opportunity to receive county funds to go towards a community park. This park will not increase our HOA dues. It is totally free of any liability or its up keep costs. This park will be for ages 2-12 with the option of a walking park for all ages. The location is yet to be decided. If you are interested in being on the committee to organize this endeavor please contact Joanna Brenner at 850-398-5166.

Sincerely,

Joanna Brenner

OCSO JOINS IN "CLICK IT OR TICKETS" CAMPAIGN

The Okaloosa County Sheriff's office is joining in Florida's 11th annual Click It or Ticket campaign. The effort kicks off ahead of the Memorial Day weekend with a zero tolerance, round-the-clock sweep for motorists who fail to wear a safety belt. Last year Florida passed a primary safety belt law that allows law enforcement officers to pull over motorists that fail to buckle up. From May 23 through June 5, law enforcement will fan out across Florida in a life-saving effort to do just that.

Facts & Stats from the Florida Click It or Ticket Campaign

- **Seat belt use climbs.** With the advent of the primary seat belt law last year, Florida's seat belt rate climbed to an all-time high of 87.5%.
- **Young Adults at risk.** In Florida during 2010, 64 percent of the 21 to 24 year olds killed in traffic crashes were not buckled up — the highest percentage of all age groups.

The Okaloosa County Sheriff's Office is accredited by the Commission for Florida Law Enforcement Accreditation.

"The Okaloosa County Sheriff's Office provides equal access and equal opportunity in employment and services and does not discriminate"

School is out for the summer!! This means the children will be out and about, possibly playing in the streets, so please be more aware of your surroundings and **WATCH** your speed. Let's all have a fun and safe summer.

FRAUD ALERT!

Fake Check Scams – Don't Let Greed Cloud Your Common Sense

Every month in Okaloosa County hundreds of consumers try to deposit fake checks they've received in the mail into their banks, credit unions, or other check cashing businesses. Thankfully, most financial institutions will detect the counterfeit checks and advise their customers of the scam.

Unfortunately, many consumers end up losing thousands of dollars – in fact, the average loss is \$3500. When you deposit a counterfeit check into your account, and then wire money to the crooks as they have directed, YOU will be held liable for the amount lost by the bad check. Use good common sense – **remember there is nothing for free!**

Prevalent Fake Check Scams

- You've won a **foreign lottery or sweepstakes**. That's impossible unless you traveled to that country to enter, since it's illegal to buy or sell tickets across the U.S. border. If you participate in a foreign lottery scam, your name will be on a "sucker list" bought and sold by other scammers.
- Foreigners e-mail you with promises of **millions to deposit riches into your account**. They pretend to be business people, government officials, or royalty, but this is a dangerous scam that is never true.
- **Craig's List or EBay** job offers from someone wanting you to relocate and/or buy items for employment.
- Buyers offer **overpayments on items you advertised** in classified ads or an online auction. They ask you to deposit the check in your account and return the excess to them. Never accept an overpayment.
- **Potential rental tenants** claim to be moving from outside the area. They send a check for more than the deposit – then ask you to send some of it back.

Fake checks appear to be drawn from a legitimate American bank – and may claim to be a cashier's check. But anyone can make a counterfeit a check with a computer, check-writing software and a printer.
